

# 12 Daily Microworkouts

BY DAREBEE  
@ darebee.com

1

Get up and do **10** squats every hour

2

Stand up for **60** seconds while browsing the web or answering emails

3

Do **20** side leg raises every time you come back to your desk

4

Do **20** leg raises or flutter kicks while watching TV

5

Do **10** tricep dips during game re-spawn and trailers

6

Do **40** overhead punches during TV or YouTube commercials

7

Do **10** calf raises while making food or waiting for it to be microwaved

8

Do **10** half-jacks while the kettle boils water

9

Do **10** side-to-side lunges every time you make a cup of coffee

10

Stand on one leg while waiting for someone or something

11

Stretch up & reach for the door frame every time you pass through one

12

Hold an elbow plank while browsing the web on smartphone or tablet
